Le Parc Suite Hotel

Address:

733 N. West Knoll Dr, West Hollywood, CA 90069

Situated on a quiet, tree-lined residential street, Le Parc is a sophisticated and stylish all-suite hotel that attracts an interesting mix of clientele: Designers stay here because it's a few minutes' walk to the Pacific Design Center; celebrities in the music industry stay because of its low-key neighborhood location; patients and medical consultants check in because it's close to Cedars-Sinai; and tourists enjoy being near the Farmers Market, the Beverly Center, and Museum Row. The newly renovated apartment-like units are extra large -- studios are 650 square feet, one-bedrooms 875 to 1,000 square feet -- and each has a well-outfitted kitchenette, a dining area, a living room with a fireplace, and a balcony. What the hotel lacks in views it makes up for in value and elbowroom, and the rooftop night-lit tennis court is a rare perk in this area. The hotel's intimate bistro-style restaurant, **Knoll**, is a hidden gem, offering very good contemporary American cuisine and romantic alfresco seating at the rooftop dining area.

Facilities: Restaurant w/full bar; outdoor heated pool and Jacuzzi; rooftop night-lit tennis court; well-equipped exercise room w/sauna; access to nearby health club; concierge; courtesy car; business center; 24-hr. room service; massage; babysitting; coin-op laundry; laundry service; dry cleaning

In Rooms: A/C, TV/VCR (w/pay movies, video games, and on-screen Internet access), high-speed Internet, kitchenette, minibar, coffeemaker, microwave, hair dryer, iron, CD player

Room Info: 154 units

Parking: Parking \$18 *

Note: This information was accurate when it was published, but can change without notice. Please be sure to confirm all rates and details directly with the companies in question before planning your trip.
